Frontenac Federation of Agriculture

To The High School Graduating Class of 2019,

Did you know that agriculture and food is a strong part of Ontario's economy? It is a vibrant and dynamic industry that includes farming, research, science and technology, business, culinary arts, food processing and distribution.

The Frontenac Federation of Agriculture (FFA) is a local organization made up of over 350 members across the county who are primary producers, such as dairy, beef, chicken, sheep and hog farmers, market gardeners and greenhouse growers. We are pleased to sponsor again this year, a \$500 bursary to a Frontenac County high school graduate who will be furthering their post-secondary education in their chosen field within the agri-food industry. To qualify for this bursary, a student must be accepted into a post-secondary institution (college or university) program in fall of 2019, that could include any of these disciplines: agriculture, food, nutrition, culinary arts, agricultural commerce or marketing, veterinary, horticulture or food service. Really the number of students who could potentially qualify for this award is quite large because when you think about it, food impacts our lives everyday!

The student must be sponsored by a current Ontario Federation of Agriculture member residing in Frontenac County, City of Kingston, Wolfe or Howe Island, and include that member's OFA number on the application.

Please fill out the attached application form and email to the FFA Bursary Committee, c/o Dudley Shannon: shanlake@kingston.net

The application deadline is **June 1, 2019**.

Frontenac Federation of Agriculture

“Supporting the Future of Agriculture and Food”

Bursary amount: \$500.00

Applicant Name:

Address:

Phone Number:

Email:
