GENERATORS

MODEL	DESCRIPTION	M.S.R.P.	OFA Member Discount	*OFA Member Price
<u>INVERTER SERIES</u>				
EU1000i	Manual Start, 12 VDC Charge Cable Std., Built-in hourmeter, Parallel connect capability	\$1,099	\$0	\$1,099
EU2200	Manual Start, 12 VDC Charge Cable Std., Built-in hourmeter, Parallel connect capability with another EU2200iTC/iTC1 (*optional parallel operation cable required - part #08E93-HPK-123HI)	\$1,429	\$57	\$1,372
EU2200 (Companion)	Manual Start, Built-in 30A twist lock outlet, Built-in hourmeter, Parallel connect capability with another EU2200iTC/iTC1 (*optional parallel operation cable required - part #08E93-HPK-123HI)	\$1,529	\$61	\$1,468
EB2200	Manual Start, GXR120 commercial series engine, GFCI Duplex Receptacle, Neutral Bonded, Compliant with CCOHS (Canadian Centre for Occupational Health and Safety) jobsite regulations, Built-in hourmeter	\$1,499	\$60	\$1,439
EG2800iC	Manual start, lightweight inverter, 30A receptacle, fuel gauge, 8 L tank	\$1,399	\$0	\$1,399
EU3000iK	Manual Start, 12 VDC Charge Cable Std., Built-in Wheels, Unique Folding Handle, Recessed Convenience Light, Built-in hourmeter	\$2,829	\$113	\$2,716
EU3200i	Manual Start, GX130 engine, 12 VDC Charge Cable Std., Honda My Generator app + Bluetooth® capability available for both iPhone and Android, Parallel connect capability with another EU3200iC (*optional parallel operation cable required, part# TBD - available winter 2022)	\$3,199	\$0	\$3,199
EU3000is	Electric Start (battery included) and Recoil as back-up, 12 VDC Charge Cable Std., Optional wheel kits	\$2,999	\$120	\$2,879
EU7000is	Electric Start with Push button Switch (battery included) and Recoil as back-up, Electronic fuel injection, Eco-Throttle Std., Large tank (19.2 L), Dual Voltage, Wheel Kit Std. with Positive Lock Folding Handles, Opt. Remote Start Kits	\$5,649	\$0	\$5,649
<u>ECONOMICAL SERIES</u>				
<u>PREMIUM SERIES</u>				
EB5000	Manual Start, Honda-exclusive intelligent AVR (provides 7,000 watts for 10 secs. to start larger equipment), Lifting Hook, Dual Voltage, GFCI receptacles, Auto Throttle, Wheel Kit Std. with Positive Lock Folding Handles	\$2,799	\$112	\$2,687
EM5000S	Electric Start (battery included) with Recoil as back-up, Honda-exclusive intelligent AVR (Provides 7,000 watts for 10 secs. to start larger equipment), Dual Voltage, Wheel Kit Std. with Positive Lock Folding Handles, 12 VDC charging	\$2,999	\$120	\$2,879
EB6500	Manual Start, Honda-exclusive intelligent AVR (Provides 7,000 watts for 10 secs. to start larger equipment), Lifting Hook, Dual Voltage, GFCI receptacles, Auto Throttle, Wheel Kit Std. with Positive Lock Folding Handles	\$3,299	\$132	\$3,167
EM6500S	Electric Start (battery included) with Recoil as back-up, Honda-exclusive intelligent AVR (Provides 7,000 watts for 10 secs. to start larger equipment), Dual Voltage, Wheel Kit Std. with Positive Lock Folding Handles, 12 VDC charging	\$3,499	\$140	\$3,359
EB10000	Electric Start (battery included), Honda-exclusive Digital AVR, Dual Voltage, GFCI receptacles, Auto Throttle, i-Monitor LCD readout, Lifting Hook, Wheel Kit Std. with Positive Lock Folding Handles	\$6,199	\$248	\$5,951
