

Hi everyone,

Ontario Federation of Agriculture and SCOR EDC have partnered up on a fantastic project to celebrate our agricultural roots and focus on enjoying all bounty we grow year round!

We would love to have you partner with us as well. If you are an artist or someone with artistic leanings we would love to have you submit a drawing for our colouring book.

The colouring book will be downloadable and will feature your submissions as well as a few goodies from OFA!

Here's how it goes. Submit any drawing that celebrates food, agriculture or rural Ontario. There are a few things we do require. Please submit the drawing so that it will fit on an 8 ½ x 11 standard sheet of paper, and the outlines should be in black. Be sure to include your name and the county you live in. Also please put COLOURING BOOK in the subject line of your email.

We would like to see all submissions by December 12, 2020

We will contact all artists whose drawings are chosen for the colouring book to let them know.

Remember it is for a colouring book so have fun!

Please send all drawings to:
