Rob Flack
MPP Elgin, Middlesex, London
Suite 201, 750 Talbot Street
St. Thomas, ON
N5P 1E2

Dear Rob,

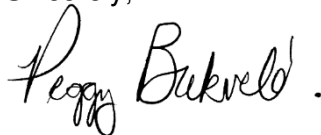

Please accept my sincere congratulations on your election as the Member of Provincial Parliament for Elgin, Middlesex, London and on your appointment as Parliamentary Assistant to the Honourable Lisa Thompson.

On everything from rural energy access, infrastructure, land use planning and food security, the OFA represents the voice of Ontario's farmers on the issues that matter not just to their future, but the future of the entire province. We were pleased to meet with you during the election campaign, and share with you the priorities of Ontario agriculture and areas where we believe we can work together. We especially appreciate the strong leadership background you bring to this position in both agriculture and business through your own farming background as well as Masterfeeds.

We're glad to have your voice representing Ontario's farmers, and rural communities in this government. The pandemic certainly presented challenges, and we were proud to partner with the government on a number of initiatives to ensure that Ontario was able to maintain a reliable food supply, with a healthy, safe, and steady workforce.

We welcome the opportunity to work with you in supporting the interests of Ontario's agriculture community as this term progresses.

Sincerely,

Peggy Brekveld
President

cc: Honourable Lisa Thompson, Minister of Agriculture, Food & Rural Affairs
OFA Board of Directors
