Trevor Jones
MPP Chatham, Kent, Leamington
115 Erie Street N, Unit B
Leamington, ON
N8H 3A2

Dear Trevor,

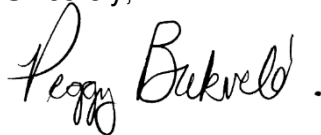

Please accept my sincere congratulations on your election as the Member of Provincial Parliament for Chatham, Kent, Leamington and on your appointment as Parliamentary Assistant to the Honourable Lisa Thompson.

On everything from rural energy access, infrastructure, land use planning and food security, the OFA represents the voice of Ontario's farmers on the issues that matter not just to their future, but the future of the entire province. We especially appreciate the strong leadership background you bring to this position in municipal government, agriculture and business through your involvement with Ontario Greenhouse Vegetable Growers and Mastronardi Produce.

We're glad to have your voice representing Ontario's farmers, and rural communities in this government. The pandemic certainly presented challenges, and we were proud to partner with the government on a number of initiatives to ensure that Ontario was able to maintain a reliable food supply, with a healthy, safe, and steady workforce.

We welcome the opportunity to work with you in supporting the interests of Ontario's agriculture community as this term progresses.

Sincerely,

Peggy Brekveld
President

cc: Honourable Lisa Thompson, Minister of Agriculture, Food & Rural Affairs
OFA Board of Directors
