Dear Mike,

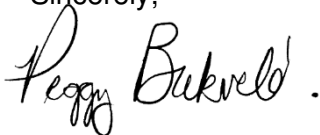

Congratulations on your re-election as the Member of Provincial Parliament for Guelph, and as the Leader of the Green Party of Ontario.

We look forward to working with you for the next four years as Ontario faces a series of economic and fiscal challenges that will present challenges for farmers as producers, and businesspeople. On everything from business risk management to rural broadband, land use planning and food security, the OFA represents the voice of Ontario's farmers on the issues that matter not just to their future, but the future of Ontario as a whole.

We're glad to have another strong voice representing the voice of Ontario's farmers on the front benches of the Opposition. The pandemic certainly presented challenges, and we were proud to champion initiatives to ensure that Ontario was able to maintain a reliable food supply, with a healthy, safe, and steady workforce.

Mike, you're one of the province's great conservationists, and we know that you appreciate the work that so many Ontario farmers do as stewards of the land from a conservation, remediation and sustainability perspective. We look forward to all opportunities to work with you over the next four years.

Sincerely,

Peggy Brekveld
President
