Dear John,

Congratulations on your re-election to a sixth term as the Member of Provincial Parliament for Renfrew-Nipissing-Pembroke.

We look forward to working with you as this government undertakes the hard work of finishing the agenda from its first term and building on that with this new, and expanded mandate for the next four years. On everything from business risk management to rural broadband, land use planning and food security, the OFA represents the voice of Ontario's farmers on the issues that matter not just to their future, but the future of Ontario as a whole.

We're glad to have another strong voice representing the voice of Ontario's farmers, and rural communities, in this government. The pandemic certainly presented challenges, and we were proud to partner with the government on a number of initiatives to ensure that Ontario was able to maintain a reliable food supply, with a healthy, safe, and steady workforce.

As this term progresses, we look forward to any and all opportunities to work with you in the interests of Ontario's agriculture community.

Sincerely,

Peggy Brekveld
President
