Dear Minister,

Congratulations on your re-election as the Member of Provincial Parliament for Leeds, Grenville, Thousand Islands and Rideau Lakes, and as Ontario's Minister of Municipal Affairs and Housing. You had an incredible challenge in this government's first term and managed to serve a whole mandate in one of the Cabinet's most difficult jobs – something managed by only two of your predecessors.

We look forward to working with you on some of the OFA's key priorities including business risk management, rural land use and planning, and rural broadband. As one of rural Ontario's longest-serving MPPs, you know that the OFA (Ontario Federation of Agriculture) plays a vital role in ensuring that the voice of Ontario's farmers is heard at Queen's Park. We're glad to have representatives such as yourself, who have a long history of working to protect the interests of rural Ontario around the cabinet table.

On a personal note, we're looking forward to some of that famous Eastern Ontario hospitality this fall as Kemptonville hosts IPM 2022.

Sincerely,

Peggy Brekveld
President
