Hon. Monte McNaughton  
Minister of Labour  
360 James Street  
Wallaceburg, ON  
N8A 2N5

Dear Minister,

Congratulations on your re-election as the Member of Provincial Parliament and Ontario's Minister of Labour. We also want to call attention to the work for which you are being credited when it comes to expanding the government's reach among organized labour. No doubt the result, and your contributions to it, demonstrate your value to this government both politically and operationally. We look forward to what the future has in store for you.

We would also like to thank you for your efforts during the pandemic for ensuring that Ontario agriculture had a healthy, adequate, and safe workforce. These challenges allowed us to work closely with yourself and your office in a way that we appreciated, and we look forward to the same kind of working relationship – under less stressful conditions – going forward.

In this parliament, you will be one of the longest-serving representatives from rural Ontario. We know that you'll take the voice of rural Ontario to the cabinet table with you, and our members are assured that their perspective will have a champion like yourself in the rooms where decisions are made.

Hope to chat soon!

Sincerely,

Peggy Brekveld  
President
