Dear Minister MacAulay,

**Re: Canadian Food Policy Advisory Committee – Letter of Support for Charlene Yungblut**

---

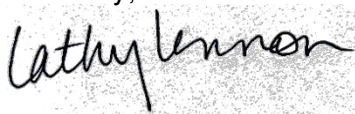

I write to you today to show support of Ms. Charlene Yungblut's application to be a member of Agriculture and Agri-Food Canada's Food Policy Advisory Committee.

I have known Charlene since August of 2021 when she was hired by the Ontario Federation of Agriculture in the role of Member Service Representative in the Niagara-Hamilton-Halton Region. In this capacity Charlene has developed strong relationships with the County Federation Board's and their Leaders, as well as providing excellent service to individual OFA Members. Charlene is also a valued member of the Staff groups and committees she is part of – bringing well thought out ideas forward with enthusiasm.

From the beginning of her employment at OFA, Charlene has served as the Youth Member on the BFO Board of Directors and has also been part of the Canadian Cattle Youth Council. This involvement has been an asset to Charlene, as we at OFA have seen how her passion for the ag industry has contributed to her personal and professional development.

Charlene would serve as a great asset to the Food Policy Advisory Committee. I whole heartedly extend my support for her application.

Sincerely,

Cathy Lennon  
General Manager  
Ontario Federation of Agriculture
