Hon. Prabmeet Sarkaria
Minister of Transportation
Unit 402, 7700 Hurontario Street
Brampton, ON

Dear Minister,

On behalf of the Ontario Federation of Agriculture (OFA), I would like to offer my sincere congratulations on your appointment as Ontario's Minister of Transportation. Your exemplary work as President of the Treasury Board and our previous work with you and your team in your role as Minister of Small Business and Red Tape Reduction makes us excited to tackle challenges and opportunities in transportation together.

As your work on this portfolio gets underway, we look forward to discussing shared priority areas, especially around road safety and slow-moving vehicles. We are pleased to support MPP Rob Flack's Private Member's Bill later this month proclaiming Harvest Season Road Safety Week annually.

We would also appreciate the opportunity to discuss Commercial Vehicle Operator's registration process, assessment tools and Transportation Plans.

Congratulations again on your new and exciting role. We are confident that the OFA can be a strong partner for you and your office as this government tackles new challenges. We would appreciate the opportunity to set up a time to meet with you when the Legislature resumes this fall.

Sincerely,

Peggy Brekveld, President
Ontario Federation of Agriculture
