

Erica Murray - Candidate for PAC Steering Committee

I'm Erica Murray and I'm putting my name forward to sit on the PAC Steering Committee. I believe that I can provide a fresh perspective and progressive ideas that are required to help transition PAC forward. PAC needs to be forward thinking. In order to achieve this goal we need a variety of ideas to maintain and build good governance through this period of transition. Please support my bid to be a member of the upcoming PAC steering committee for 2025.
