

L&A Federation of Agriculture

Scholarship 2026

The Lennox & Addington Federation of Agriculture is currently accepting applications for the 2026 Scholarship Program. There are two scholarships available:

Agriculture Scholarship of \$1000

You are eligible if you are:

- a resident of Lennox and Addington County
- entering your first or second year in post-secondary education in agriculture
- a child or grandchild of an LAFSA member
- have never received a scholarship from the LAFSA before

Non-Ag Scholarship of \$500

You are eligible if you are:

- a resident of Lennox and Addington County
- entering your first or second year in post-secondary education
- a child of an LAFSA member
- have never received a scholarship from the LAFSA before

Deadline for receipt of applications is **August 21st, 2026**. The successful candidates will be contacted by the first week of September and will be presented with their scholarships at the LAFSA annual meeting in September.

Please fill out the form below, and additionally, tell us about your farming connections, community interests, and what your plans are upon graduation from your program.

You may submit your application to landafedag@outlook.com as a PDF or Word document.
